Science of Violence**

Founder and CEO, The Avielle Foundation

Founder, The Avielle Foundation

Dr. Jeremy Richman has extensive research experience that spans the range from neuroscience and neuropsychopharmacology, to cardiovascular biology, diabetes, obesity, metabolic syndrome, immunology and inflammation, and kidney disease. He has worked in the drug discovery arena for over two decades and is passionate about helping people live happier and healthier lives.

Dr. Richman earned his Bachelor of Science degree in molecular and cellular biology with an emphasis on chemistry and physics from the University of Arizona, Tucson, AZ in 1992. In 1994, Dr. Richman was accepted into the graduate program of Pharmacology and Toxicology at the University of Arizona where he earned his Ph.D.
